Re: United States v. Briana Waters

Dear Neil:

On May 27, 2008, Michael Martin asked to meet with Andrew Friedman and me. At the meeting, Mr. Martin told us that he wanted to provide additional information relating to the blue tub Jennifer Kolar gave him, and that Mr. Martin eventually turned over to the United States as part of our investigation.

Mr. Martin told us that in December 2005, shortly after arrests were made and after S/A Jane Quimby contacted Ms. Kolar on the east coast, Ms. Kolar asked a third party, her friend, [REDACTED] to remove the tub from her house. After Mr. Martin was hired and learned of the tub, he obtained the tub from Mr. [REDACTED], and returned it briefly to Ms. Kolar. She then returned the tub to Mr. Martin. Mr. Martin subsequently provided the tub and its contents to the United States. The United States had been unaware of the third party's temporary possession of the tub until Mr. Martin told us about it on May 27.

Yours truly,

JEFFREY C. SULLIVAN
